“ Gene has been a lifelong friend of mine and my whole families. Gene was like my other brother and I could depend on him for anything. I went awhile losing contact with him but reunited when he called me one day when he needed to talk. We never lost contact after that. He would give the shirt off his back to help you. I will miss seeing him and talking to him but I will keep his memory in my heart forever. He is reunited with alot of people he loved. RIP Gene, love you!♡♡♡

“ This is so awful. Gene was one of the nicest guys i've ever met, or worked with. He worked with Lubbock Wrecker, and I was with West Texas Peterbilt, so we lots of contact. I remember always seeing him in Moose Magoos, and would always visit with him there. He was truly a good friend. R.I.P. :(
