“ We all have our families but some of us are fortunate to have “chosen family”. Steve and his family have been my very special family for the last 54 years. Steve and his brothers were my little brothers who always made me laugh as we celebrated holidays, birthdays, and trips. Then I had a little sister in Robin when they met and married.

Steve was very mature and extremely calm under stress as he proved in 1971 . After my Grandmother in Colorado passed & left my Mother several pieces of furniture, I borrowed his Dad’s Buick sedan & with an empty trailer in tow Steve, Robin and I left for CO . Mid-trip, on a 2 lane highway, I was resting my eyes in the back seat while Steve drove but I woke up as Steve was passing a car and a 3rd car atarted passing Steve. Steve was calm and never flinched as he stayed steady and continued passing his car and allowed the other idiot to pass ahead of us. He never showed any rattled nerves, just cool driving.

When Ken & I married 8 years after Steve & Robin I had a second married little brother to serve as an example for a happy marriage...Steve, I have loved you ever since I became a part of your family and I miss you.

Peace to you Robin and your family, Love, Ken & Mary Lou Hawthorn Ott

“ Steve was an awesome example of a fine, moral, upstanding, gentleman. He loved my wonderful sister, Robin, for 46 years. He was a mentor, a sounding board, a huge part of my 57 year old life. He was honest, dependable, and you could entrust your most protected secrets with him. I will forever miss the steadfast way he loved my sister. Our hearts are broken, and will forever mourn Steve's passing. Rest well, brother.

Lovingly,

Michele Bradford
