“ I extend my deepest, heartfelt sympathy to all the family over the loss of Wiley. Wiley was a dear friend loved by every member of my family. He was the devoted friend who always had a smile on his face, a laugh that made your heart happy, a joke to brighten your day , a helping hand whenever you needed it, a teacher who instilled confidence in you, and most of all, a devoted, faithful servant of the Lord, always pointing you to Jesus. How I thank God for the blessing of making Wiley part of our life! May God comfort all the family during this hard time.

“ I went to church with Wiley and his Father Allen at Fairmont Park Church of Christ here in Midland. I always admired how Wiley took care of his Father, and the dedication, strong faith, and love that Wiley had for the Savior. He was a great teacher of the word of God, and even as his health declined, he was still teaching great lessons, and telling others about Jesus Christ. I know that Wiley is in heaven. What a brave race he ran. May God bless you his family in this hard time, and heal your broken hearts.
