“ *I remember coming to Donna's home north of the Pirates drive in right after Abby was born. Abby looked like a little doll, so beautiful. Donna was so proud of her and she was the happiest I'd ever seen her. Of course aunts Lynn and Lee were, also. My son Dillon always looked up to Abby. Thanks for always making him feel special when he stayed with Abby and your family. Lee and Lynn, if words could take away the hurt I would gladly give them. Please know your family is in my heart and prayers!*

“ *Abbs (as I called her) will be incredibly missed by anyone who knew her and I'm honored to count myself amongst that group of people. Funny beyond belief (always with a hint of sarcasm), strong work ethic, dedicated mother, sister, aunt, cousin, daughter; and for me, a super great friend that made things much easier when when I was lucky enough to be around her.*

My deepest condolences to Westyn, Lynne and the rest of her family.
