“ Kathy, I am so sorry to see your mom's passing, but what a life she lived for 104 years! She was always a bundle of joy and happiness which was reflected in the smile that she always had. I have many wonderful memories of growing up knowing you and your mom and am thankful that our paths crossed. May God grant you His peace, His love and His comfort at this time. She was a great lady that touched many lives with hers.

“ *My aunt Affie may have actually saved my life. My mom told me that when I was about 3 years old I got lost and had accidentally locked myself in a garage room. All the neighbors and family had searched with no luck. Aunt Affie was the one who found me asleep & carried me into the house. Blessings to my cousins Susan, Kay, & Kathy.*

“ *Aunt Affie blessed us with every visit. The Patterson family were important in our young lives. We spent countless Sundays with them watching Walt Disney Wonderful World of Color and Bonanza. You see, they had the color TV. But it was more than that. Aunt Affie made us feel welcomed and loved. She will be missed, but I will remember her smile, wit, memories, and soft spoken verbal hugs. Love to Kay, Susan, and Kathy.*
