“ I dont know if anyone is reading memories here after several years, but I just discovered this obit. I marched next to Gwenn in the Goin' Band, and she was my "little sister" when Kappa Kappa Psi and Tau Beta Sigma started the cross-organization tradition. David King was my roommate one year at Tech, and I was just trying to find them on the internet. I'm sorry Gwenn has passed. She was a beautiful spirit. Condolences to the family.

“ Gwenn and I met the first day school at O. L. Slaton Jr. High. She sat next to me in Home Room. We were in the band together. When we went to high school she went to MHS and I to LHS. She was a beautiful person. It has been a year since we have seen her and we were stunned by her passing. We mourn her passing. Tom and Carla
