He was always there for us and welcomed us with open arms, hugs and kisses. He let us know that there was nothing we could do that would cause him not to love and support us. He made sure that we and the whole world knew that his kids were his life his everything. He will forever be cherished, missed and loved every day by all that knew him. We know he is soaring with the eagles and looking down on us with a smile and arms wide open. We have a wonderful daddy and we all love him so very much. We will always love you daddy.

“ *You had a heart of gold and a smile that would light up the room when you walked in. You always treated me like I was a queen, I will remember that for ever. I enjoyed all the time we got to spend with each other when you lived in Sherman. Rest in peace with the rest of the family that is in heaven. Love you always, Gail Bradshaw*

“ *Alvin, his sister (Rennie), several other cousins, and myself all grew up during our elementary years in Sherman, Texas and just lived a few blocks from each other. So, needless to say, we all raised havoc at one or the other's home. Alvin had an infectious smile. Even the grumpiest of grumpy would leave with a smile. My heart goes out to his children, grandchildren, great-grandchildren, and his siblings. He will forever hold a place in my heart. R.I.P. Cousin. You are missed.*
