“ *What wonderful memories I have of Anita. We had so much fun with her and her family rodeoing, playdays, 4-H , and growing up. I don't think I ever saw Anita when she did not have a smile on her face. She was a really neat lady. I'm so sorry for you loss, but I bet you she has already been catching up with daddy and Steve. I bet they are talking about the good ole days. Prayers and hugs.*
