“ I don't know a more God fearing Woman anywhere than my Aunt Audene. I wasn't quite 2 months old when she married my Uncle Clyde (My Mom's Brother) so she has known me all of my life and I have known her all of my life. She was always kind to me and I loved her very much. So many memories, one of my favorite was when I was young and my Mom took us to Texas to visit. Aunt Audene made so cold ice tea on a very hot day that was so good. She then called us over (from playing on the swings) and served us some sliced watermelon and we ate it all. After I grew up Clyde and Audene came to California on several occasions to visit my Mom and also to visit with me. There were times when Uncle Clyde and I was outside playing horseshoes and Aunt Audene and my Mom were inside. We would then come inside and everyone would sit at the dinner table and play '42'. A game of dominoes I still don't know how to play. Aunt Audene was a quiet person and always at my Uncle Clyde's side. Several times she spoke of Heaven and how wonderful it will be. I remember her smiling and laughing at family get-together's in her own quite way. I take comfort in knowing in my heart she is with Jesus and warming his house like she did ours. I will miss her but I have so many wonderful memories that I will never forget.
