“ I will miss Aunt Barbara so very much. From my early childhood through all of my adulthood she was always there for me and has been like a second mother to me. We shared so much laughter over the years that I can't even begin to describe all the good times. I am grateful for all of those times and I hope that I can think of them often. I am praying for peace for my cousins Laura, Jackie and Cary and all of Barbara's grandkids during this tough time. She was one of a kind and will be greatly missed. Love, Terri

“ Barbara and I spent lots of time together when we were kids. She and Sara were like sisters to me. When I moved to Ft Worth from Lubbock I didn't get to see them as much but did keep in touch as best I could. We shared so many good times and lots of giggles! She was a big part of my growing up years.
