“ I’m so sorry to hear that the world lost such an amazingly kind, authentic and gracious person. I’ve known Barbara for 20 years as a colleague and after almost every interaction I had with her, I walked away with a smile. My thoughts and prayers are with Barbara’s family, close friends and the many people whose lives she touched.

“ Our precious Barbara, you will be missed by all. I can remember your kindness to the cats around the MHMR office. You would feed them in the mornings and in the afternoons and would also try and catch them so you could take them to the vet to have them neutered or spade. You were a special lady with a sweet soul! I loved talking with you on any subject and hearing your laugh! Love, Gina Stockman.

“ I first met Barbara when I began working at Lubbock Regional MHMR, and I was so impressed by her kind encouragement and compassion. I had the privilege to work with Barbara in HR for the last 10 years before I retired at the end of Dec 2019. She never was "bossy", but she became a friend. She showed me extreme compassion during my family difficulty in 2015. I saw Barbara's compassion so many times and she made HR Staff feel like a group of friends. She celebrated each of her staff's birthdays with lunch and favorite birthday dessert. She was so wonderful to the animal world, especially to the stray cat population at the Civic Center who she gave food and water every day. She kept water and a big bag of cat food in her car. I will miss her dearly and we stayed in touch after I retired. Barbara really put Human in Human Resources. I know there are so many people who she touched emotionally who will miss her so much. I hope we will be blessed to have Barbara as a Guardian Angel.

I am heartbroken! Barbara and I became close friends back in the 80's when she was hired at Lubbock State School. Her job changed there when she was moved into a (QMRP) position and then as the Director of Human Resources. While there, we worked closely for many years and had many long conversations & pity parties about everything under the Sun! When I left the State School and started working at Lubbock Regional MHMR, (StarCare), I would call her constantly & encourage her to apply. Finally she did, & was hired as the Director of HR & immediately made a huge difference. Barbara and Dick (whom I adore) made a great team with him doing the cooking & her doing the handy work. He wasn't allowed to touch her tools & she kept them locked up! She was a devoted & loving wife to him and also a compassionate caregiver to her mother. I will always consider Barbara one of my greatest friends and will always remember her. Lifting up love & prayers for Dick and all the family.
