“ *Beaty and all the Howards were great friends of our family. My father and Beaty were close friends for many years enjoying fishing, hunting, church activities, and overly competitive games of "42". Nobody had more fun giving Dooley a hard time than Beaty Howard. Now he is home with Dooley, Pudge, Smilin' Joe, and the rest.*

“ *I always remember Uncle Beaty as the most calm man that I ever met with a very gentle spirit but stern if he had to be. He was very kind and respectful of others. I know he is in a better place and my prayers are with all of the family. steven price*
