“ *It was with great saddness that we recently learned about Benny's death. He was a friend long before he became my brother-in-law. And I shall always cherish those memories-good and bad. Susie and I still live in Garland and I will retire from the state in April.I'm ready. But we wanted you all to know that your in our prayers and we wish you that we were able to have been there in this time of sorrow. God Bless you all.*
