“ *Sending prayers for comfort and peace to Bettie's family. I remember her well and can still see the house where the Harts lived when we were all growing up in Anton. IMy brother Boyd Goen had told me she was at Raider Ranch where he lives. May memories of good times with Bettie help you to laugh more than you cry.*

“ Ricki and Randy, I have the most wonderful memories of your mother from my trips to Anton. In fact, as I write this, I can hear her distinctive voice in my head right now. She was always kind and welcoming to me, so that I never missed a chance to be with her when I was visiting my relatives. While I know that you will miss her, you can keep her alive by emulating her finest characteristics, and you have a lot to choose from. I could never live up to my father's ideal, but thinking about him guides my behavior each day. I hope that your grief will soon turn to warm and wonderful memories. Love

“ I was so happy to have Mrs. Herrin as my third grade teacher, she always seem to have a smile for us. Ricki, we were both blessed to have our mothers until past their ninety birthday. I was glad I got to visit with your mother in 2014. We learn how to care for our mothers and be thankful for them.

“ When I was reading the Lubbock paper from my home in Austin, I saw the sad news about Bettie. I have so many wonderful, treasured memories from my childhood about Bettie, your Grandparents and each of you. I'm thinking about you all and praying that you feel comforted at this sad and difficult time. I bet my parents, JoAn and Marion, we're there to greet Bettie when she arrived in Heaven. God bless each of you. It would be great to catch-up sometime. Debbie Mayes Curry (806) 252-0182 or Debbie.m.curry@gmail.com

“ *Bettie was greatly loved. She was my fourth grade teacher. Then as I grew up I often helped her get the legal work done on sale of Anton residential lots and such. She could organize a herd of monkeys. God Speed until we met again. Love you. Carolyn Mens*
