“ *Betty Ann was not just my mother-in-law but my friend, mentor and role model. Her faith in the Lord was an inspiration to me. I never saw a day go by that she didn't have a smile on her face and a helping hand for someone in need. I was so luck not just to marry a wonderful christian man but marry into such a loving christian family. I will miss you and always love you. You are in my heart always.*

Betty was a shining light for many of the residents inside and outside of Wendover Apts, where she lived for 6 years. It was an honor to to know her. Just thinking of her laughter and cute personality makes me smile. I am so happy she is in her forever home wrapped in the loving arms of our Saviour.

Betty will always hold a very special place in my heart. She was a rock for me in so many ways. Her smile could brighten even the worst of times. I know you are safe now and enjoying many chocolate chip cookies. Thank you for being a part of my life.
