“ What a joy it was to take my mom Bernice Jarel to visit Betty and Lloyd before they all got sick. We would sit around and tell stories and of course they never was what they remembered. We laughed and laughed so hard it brought tears to our eyes. Mom was sometimes hesitate to go but I just loaded her up and away we went. Aunt Betty and my mom remenisted about everything so us girls would leave so they could visit but yet they was always excited for use to come back and tell what all kinds of trouble we had gotten into at the OU and Texas Tech football game. Aunt Betty I know you are having the time of your life telling on us. I love you and I will see you again. I will miss seeing your smiling face. Love Sarah Ann Jarel. I'll treasure my memories forever.
