“ It's hard to express in words how grateful I am to Bill and his contemporary Jim beavers for the support and guidance they gave me as a Young Man starting out in the business world. We know that his family and friends know what a great person he was but in the business world we also considered him to be a great and true friend.

Thank Bill for what you've done for me and my family.

Mike, Barbara Gentry and family.

“ Although we are not able to be with you personally, please know that we are thinking of you and grieving the loss of Larry's brother. Jack was my brother-in-law all of my 54 years of married life. Even with the great physical distances with Jack and his family as well as Larry and Jacks four other brothers and sisters, the family love was strong. Sandi, Lance, Kade and families we are praying for you. Glenda Burt, Wen and Sheila Burt and family, Virginia and Brad Bunch and family.
