“ I heard how handsome and accomplished you were, Billy. We are cousins, and though I never met you, I knew your father very well. I am deeply sorrowed to know what has happened about you, and hope that you have found peace and love with the Lord.

“ From the first day I met Billy and Kristi you could see the love they felt for each other in their eyes the way they touched and their action. I'm very proud to have been able to share in one of his passion, preaching the word of God. His words have inspired me spiritually and I will carry them with me throughout my life. Thank you Billy for teaching me to follow in the Lords path and try not to follow the path I thought he wanted me to follow. You are going to be missed as a friend and a spiritual leader.

“ Every day Billy ak Hunter as I knew him for years all he ever talked about was Kristi, Austin and Alyssa how much love they had brought to his life, an how much he loved them. He was a great man and will be missed by every one who's life he touched as mine. He talked about preaching that he felt that was his calling I am so sad he never got the chance to do a lot of that. Love and miss your smile.
