“ *I knew Billy and Rebeca only for a short time. I always loved it when they would join us at Tahoka Church of Christ. It was a special treat to see Bill smile...it would light up the whole room. I know that he has a great big smile on his face now lighting up all of heaven. Rebeca, I am praying for God's peace and comfort for you and your family.*

“ *It has been many years since I was a first year medical student who wanted to experience research and had the opportunity to work in Dr. Beverly Chilton's lab over the summer. Bill was the one who showed me the ropes in the lab and encouraged me to learn from my experiences in the lab. He was very kind and made a tremendous impression on me that endures today. I know the loss his family is feeling and I am praying for peace and comfort. I am also thankful that he has been set free of his earthly body and has left his suffering behind!*

“ *Bill is the best big brother I could ask for. Even though he was older, he did not mind taking me camping in the mountains of New Mexico and teaching me how to enjoy the wilderness. As a family we would joke that Bill was going to be a student all his life, but when he became a Police Officer was one of the proudest days of my life. We are going to miss Bill but he is free from the pain and suffering and is with our dad looking down upon us.*
