“ *Bob was such a fun guy. After the football game on our 20th reunion a bunch of us went to The Ramada Inn for a few drinks. Got thrown out since none of us were staying there. We ended up in Malone at a place with a live band. Before the night was over we were dancing on the tables. Had a great time because Bob was there and kept us laughing. He will be missed.*

“ Bob and I grew up in Hillsboro together. He was like a little brother to me. Our families spent many hours in each others homes. Our mothers were best friends. We attended church together, My dad was Bob and Charles' ag teacher, Bob and Charles were probably 2 of his all time favorite students. Carolyn and I were friends. I have many wonderful memories of Bob and his family. One of my favorite that I keep remembering is of the day that Carolyn married. Bob had come out to our house to help my dad work the cattle. He went home cover in barnyard cow "poop". His mother, Maydell had the house immaculately clean. She made Bob strip on the back porch then, if I remember the story correctly, she hosed him down before she would allow him in the house. My dad would tell this story very frequently, I don't know if he told it to embarrass Bob or to keep him humble..Whichever, he could not tell it without laughing so hard that tears would stream down his face.

Bob will be missed by all who knew and loved him. My prayers are with all of you now and in the days to come. Even though we prepare ourselves to lose the one we love when they are so ill, but we are never ready to let go of them. Knowing they are leaving us behind and doing what we can to prepare ourselves for letting them go, makes it easier, but not easy.

May God comfort you in your loss as only He can. Love to all of you!

“ This is so hard...How do you say goodbye to such a wonderful friend? I have so many memories of him starting in Jr. High..We went through High School together and oh, how he could make you laugh. I remember him wearing his Blue FFA jacket and his boots. He wore a smile on his face that can't be matched. You will be so missed friend. Love to you and all the family Lanette. May God grant you and the family and comfort through the next days and past that. Thank God he found you...he loved you so much and you made him happier than I'd ever seen him. God bless and take care Lanette.

“ I met Bob when he lived in Temple in 1977 when I was in High School. He was more than a family friend, he was a kindred spirit. He encouraged me to go to college and chase my dream in becoming an Ag teacher, and nurtured my love for Agriculture. Our families have shared a many of meals together, games of 42 , lake trips, mom's homemade ice cream, and Spades. My dad and I, along with Bob, have cuts many cords of fire wood and split just as many. It always seemed that Bob would miss the wedge and break the handle of the sledgehammer. Those where good times. Bob will be missed by many, especially me. Thanks for all of the memories my friend. I cant wait to see you again.
