“ Such a wonderful woman, such a wonderful life. I remember her and my mom, Mary Johnson, being at Wilshire together. I would always hug your mom's neck when I went to see my mom. I know she didn't know who I was but she smiled and hugged me back just the same! Hold on to all of these precious memories and know that she is with Jesus now. If there is any bridge game going on, she will be right in the middle of it with my mom!!
