“ My thoughts are with you Dan and family during this time. As a small child I've fond memories I've held dear of Bobbie and Dan, my whole life. Heaven gained a special lady and I know, she's watching over all she loves, always. May you feel her kiss when the sun touches your cheek. Hear her voice in the birds song and feel her hugs wrap around you in the gentle breeze for,...in the heart, she's always with you.

Much love, Melinda Norton Crooms

“ When I was sharing with Pops (Dan Norton) the comments that had been made on Grandma's (Bobbie Norton) this memorial page, he remembered that they had discussed a while back that instead of an abundance of flowers at a service for her, she would prefer gifts to St. Jude Children's Hospital.

If you knew her at all, you know how she had a heart for children, and so does St. Jude. Pops said they have been giving themselves for years, and it is such a worthwhile place to make a contribution in her memory.

Thank you, God Bless you!
