charity.

Bobby and Melba enjoyed countless summers in Silverton Colorado and later in Eagle Nest New Mexico in their RV with their family and friends. One of Bobby's favorite activities in Silverton was catching trout at Molas Lake. He loved to share his passion for the mountains and nature with his kids, grandkids and great-grandkids. He also enjoyed meeting new people in the places they camped and many of those people became lifelong friends. Bobby enjoyed riding his motorcycle or 4-wheeling on the mountain trails. Bobby and Melba were founding members of the South Plains 4 Wheel Drive Club and the Roaring Springs Ranch Club. Bobby was an avid hunter although later in life he enjoyed just sitting in the blind and watching and photographing nature. For a time, they owned a cabin at Possum Kingdom Lake where Bobby would catch boat loads of white bass and revel in teaching his kids and grandkids how to do the same. One of Bobby's favorite activities was catching you off guard and giving you a good goosing making you almost jump out of your skin and then having a good chuckle. We'll miss him like crazy. See you later, Pop!

“ *Our family sends prayers and sympathies to the family. Our families were both in the 4-wheel Drive Club many, many years ago and have fond memories of the trips and people we met. Bobby was an LHS classmate of my mother, Janet Jones Myrick. We wish you peace during this hard time.*

“ *Last year at this time we enjoyed watching the Super Bowl outside with Bobby and Melba and our good friend Mike Harmon. We gathered for a winter camping trip to Canyon Lake, TX. Bobby loved the outdoors, his friends, most of all his family and dearest Melba, the love of his life.*

Rest well old friend. The mountains will miss you.

“ *Our condolences and sympathy to the entire Holland family. We loved Bobby as much as our own family and we'll miss him greatly until we see him again in Heaven.*

There are too many great memories to list, but just a few include camping in the mountains, desert and beach; hours of four-wheeling and sharing laughs around the campfire; riding motorcycles around the Hill Country of TX and the NM Enchanted Circle; and walking on the beach picking up seashells (with us trying unsuccessfully to keep up with Bobby).

Time passes but memories remain.

“ My heart felt condolences for each family member. He was a special man and actually my father figure for many years. Every camping trip, family meal, holiday and card game at the lake was made even more special with Bobby and Melba there. Those hot hand and foot games were filled with so much laughter we cried. Bobby was a great papaw to my kids and I am forever thankful for that. The Lord gained a beautiful soul in heaven this week. God Bless every heart that will miss him.

My heart goes out to Melba and the family. I miss being there with everyone. I have been a part of this family forever. Melba and I started out first grade together and have remained a part of each other's lives all these years. I will miss this guy and am so grateful for having known him. I have so many memories that I cherish. God be you.
