“ I am blessed to have known Bob from a very early age. I grew up with Mark Stargel as my best friend in Elementary School and got the privilege to live out life with the Stargels. My most fond memory is the week that Bob and Nancy watched over my brother and me as my grandfather was in the hospital. I will never forget the wonderful stories, scripture cards at the dinner table, laughter, and compassion that they brought us during such a difficult season in life. My life is much richer because of the Stargels. My thoughts and prayers are with you during this time. Thank you for showing me God's protection, comfort, and care. I love you all.

“ I have known Bob since our very early days. Played Little League baseball and football with him a Smiley Wilson. We both served in Viet Nam and when he found out at a MHS reunion that I flew Med divac helicopters over there, he hugged me and teared up. Bob was a gentle soul and the world was a better place with him in it. Godspeed, my brother!
