“ Jane, I remember when I first met Bobby. We were driving your Dad's truck to a hamburger place in Harlingen. He was on the other end of the CB radio with several handles and personalities. So many years have passed since then. Hold fast to the memories and hold fast to God for he knows our needs.
Love you cuz. Lee Ann

“ *I can't express how much my family will miss Bobby. He and my Granddaddy were partners at the Lubbock Police Department. It was then that Bobby became like family and we grew to love him very much. Thanks to their hard work, Overton is now a beautiful (and safer) part of Lubbock. Oh, the stories they could tell! Thank you, Bobby, for putting other people before yourself and for being so gracious to your family and friends. You will be so missed.*

“ Bobby will always be remembered for his kindness, support, and true friendship to, not only Dad, but our entire family. Bobby was my dad's partner at the Lubbock Police Department. He and Dad did a lot to clean up the Overton area. They had great stories they loved to tell of their many experiences. He became like a son to Dad, and after Dad died last July, Bobby would call just to tell some of those stories and reminisce about Dad. I imagine when Bobby saw Dad in Heaven there was great rejoicing!

*Our thoughts and prayers are with Bobby's family and loved ones.
We understand your grief and share in your pain.*
