“ *Bonnie will always be in my heart. She was my Hospice Peep for the past 4 years. I would love taking her for walks in her wheelchair and she loved it when I would have a coke and piece of candy for her when we would sit under the tree at Wilshire or just on the front porch. Bonnie loved singing her religious songs and I have so many on my phone of her singing to me or singing as we would go for our walks. I will miss you my sweet Bonnie. I know you are singing along with the angels up there in heaven.*
