“ I enjoyed playing games with Bonnie and Howard as often as I could. I regret that I was not able to make it lately and will miss the times that we were able to do so. I remember the first time I worked at the Redbud Fall Festival. I was in line with my grandchildren waiting to register them and there was a long line. I stepped up ahead in the line to help until it was our turn and Bonnie put me right to work. I ended up helping the entire time and that has become my job every year because Bonnie put me to work. Bonnie was a good friend who would listen to my troubles when I was down and "celebrated" with me when something good happened. I will miss her.

Oh my... where do I begin... I have known Bonnie my entire life; she was one of my Mother's best friends. I think they met when my Mom first went to Muleshoe and Bonnie was just a teenager. Bonnie often shared stories of those early years, before Mom and Dad married. The mischief Mom and Bonnie would get into... I have so many fond memories of Bonnie... just seeing her smiling face in the picture puts a smile on my face.

Can't you just hear Bonnie and Mom laughing and having a great time together in Heaven?
