“ Valerie, KK, Danny, Jason...my condolences to you and the family.

I have many fond memories of Brent. Brent always knew how to make a grand entrance and his presence known. I recall times being in church where most people would be silent, but not Brent. As he entered, he commanded attention with his infectious smile and great personality that wouldn't go unnoticed even in a place of worship. Through the many Quinceaneras, Brent would often nod at me to watch someone because they were trying to get with our niece.

Anytime I came into town and Brent was around, I know we would have an enjoyable time with many laughs.

Brent will be missed!
