

Brodie Mack Pinkerton

January 28, 1997 - July 14, 2021

Brodie Mack Pinkerton, age 24 of Shallowater, TX passed away Wednesday, July 14th surrounded by loved ones. The much loved son of Rick and Amy Pinkerton, loving brother to Raleigh Pinkerton, devoted boyfriend to "his girl", Stephanie Smith and a great friend to countless others. Brodie is also survived by his grandparents, Harold and Sherry Perkins, Uncle Doug Perkins and cousins Yancy & Autry Perkins all of Comanche, TX as well as his Aunt Penny & Uncle Ron Bates of Mansfield, TX.

Brodie graduated from Shallowater High School in 2015 where he excelled in all sports, OAP and was a member of NHS. He was employed by Davis Moore Electric where he was working towards his electrician's license. He was passionate about his job and loved his coworkers and the electrical trade. Brodie Mack was known for his larger than life personality-everything he did, he did with great passion. He had an immense love for music and film. He was often teased that he knew every word to every song ever written and could quote movie lines at the drop of a hat. He was also an avid sports enthusiast especially when it came to his beloved Kansas City Chiefs and Texas Tech Red Raiders.

His untimely death leaves a huge hole in our hearts but it gives us comfort knowing how many people his generous and loving spirit touched in his short time on this earth and that in death he chose to give the ultimate gift of life so that others may live, and for that we are grateful.

“ I remember when your mom and dad left you with us while they went out. We were going out to dinner and and when we got to the restaurant you weren't feeling well. You looked up at me and said aunt Penny just leave me in the car. 😭

I think you were about 3 or 4 years old . Even then you were thinking of others. You didn't want to ruin our evening. You have a caring heart and it lives on PTL
