“ We send our sincere condolences to Bryan's family. We were saddened by Bryan's passing. We grew up with Cindy, Dayton and Bryan. We went to school and church with them and have many fond memories of the family dynamics. Dorman and Dayton loved to tease Bryan whenever they could. Let the Lord be your strength during this trying time. Dorman and Vicki Reichenau Schmidt.

“ *I remember the Summer before Dayton and I married. Bryan was 12 and wanted so badly to learn to swim, but the waters scared him. Dayton's idea of teaching him to swim was to pick him up and throw him into the deep end.*

*When I came along he would grab me around the neck and wrap his long legs around my waist and hold on for dear life. Slowly, but surely he learned to put his head in the water and blow bubbles. Then he learned to paddle. Then he learned to kick. Then he put it all together while I held him up under his tummy. When I moved my hands he didn't even notice because he was swimming! And I finally had a little brother for the first time in my life I had a little brother! He will always be my little brother!*
