*C.E. was a good friend and brother in Christ to my dad. C.E. will be missed but remembered fondly. He taught me about the free e-Sword Bible study program for the computer. I use it in my personal studies and when I take notes during assembly. Thankful for C.E.'s life. Love continues. Prayers for God's comfort and peace to his family, friends and fellow servants in Christ.*

*Despite health issues and difficulty getting around at times, C.E. had a deep desire to study the word with others and serving others in it. He was one of several from Lubbock that faithfully served my grandparents and the other brethren at Floydada and other congregations in the area to encourage their faith with a consistent concern for the well being and future of the church. We're going to miss this good man. May the Lord comfort all of the family at this time.*
