“ I have been to Carl's shop to visit many times. I loved seeing his wood work and he liked telling me about it. Carl loved his daughters and his grandchildren and was so proud of them. He is a great man to imitate and a man that will be missed.

“ I remember Carl had such a nice face and when he smiled it really meant something - you really felt the warmth of that smile. I remember running around (Earlene would have none of that) the kitchen of their house that seemed so enormous to me as a kid. As a kid, I know I was oblivious to the adult conversations between my dad, Carl and the rest of the adults. But it was my childhood and people were happy and I was not oblivious to that happiness. The Sayles family reunions were the best and I appreciate those times. I'm thankful for family - especially now that I have my own. I'm thankful for how much Carl loved my family and how he was a loving big brother to my dad Jerry Don. Carl I'll never forget your smile. Ill try to honor your kindness and keep it going on your behalf.
With Love,
Cory Don Sayles

“ Brother Carl, We have so many good memories. I always looked forward to playing golf with you on Saturday mornings. Barb loved that you always seemed to know when something good was cooking in her kitchen and she always set some aside for you. We both loved celebrating birthdays and holidays with you, and even when we were miles apart we always thought about you on your birthday that you shared with Barb. Remember the party at our house on her 25th and your 50th, so many special times we shared. Thank you, brother for teaching me your trade, for being my mentor, for giving me a job when I was young and learning, for being so good to my kids who loved you. I am sure you knew me when I visited you through the window this summer and I am so thankful I got to see you one more time and tell you I love you. Thank you for being my brother, I will always love you. Your brother Jerry Don (Donnie) and Barbara. Sayles

“ I have such fond memories of Uncle Carl. He seemed like a quiet man to me but I knew him as kind and I loved him. I remember that he and Earlene were square dancers and I always thought that was so neat, and I remember his chair that he sat in at his house, and I remember times of him and my dad just hanging out and laughing. Good memories. I am grateful for the kind of brother he was to my dad, and I know that he was good to my parents and they loved and respected him.
Love you Uncle Carl.

“ Uncle Carl was always there for me growing up. I have so many great memories of time spent with Carl. I remember just walking over to his shop and just chatting, about nothing really but he made to time to listen and share his wisdom. Very fond memories of Roaring Springs Ranch camping and I will never forget the amazing trucks he built, he was so proud of them. Carl will be missed but always in my heart. Say hi to Grandma for me.
