“ *Carrie was more than a sister n law. She is my best friend, my crazy family member to do hilarious stuff with, she was who we cried to each other or vent our feelings. I'm so blessed to have her in my life. Love Always*

“ *There was never a more encouraging, supportive co-worker than Ms. Carrie. I remember when she had invited me and my two sons to her home where her daughter was just learning to walk who then decided to take a wooden spoon and chase after my two sons who were Toddlers at that time.
Carrie and I looked at each other and started to laugh.
She was a dear friend who will be dearly missed.*

“ When you work with someone for 15 years, you really do become a work family. We talked often, a lot about work, but a lot about life. Kids were always the topic, and I know how proud she was of Shelby and the new house (and house building process) her and Chip created. She always listened to me brag about my kids, and not once did she act like she didn't care or have time for those discussions. I will always be grateful for what you did for me and my staff over the years. You will be missed, Godspeed Carrie.

“ Carrie and I communicated a lot during the time she and Shelby were buying a house in Temple so Shelby could attend University of Mary Hardin Baylor PT school. She wrote me many sweet and kind notes. How precious was her deep Mother’s love for her daughter. My heart felt sorrow for this loss of one so young. Love and prayers to Shelby and Chip. I am here in Temple for you, Shelby when you need me.
