“ *We are so sad to hear of Chuck’s passing. Our thoughts and prayers are with Beth, Mike, David and their families. Chuck was a good friend with a ready smile for everyone. Nancy and I remember the good times we had together, dinners at Jardines in San Juan Batista, travels together to Idaho and down the California coast, and my tag-along visits with Chuck to auto auctions. He may have been a career executive with Gerber Products, but he was also a car salesman at heart during his latter years. Many fond memories!*

“ *Way back in the 80s we began to attend San Jose First Church where we met many great folks, Chuck & Beth being among them. Chuck went around with a smile and a twinkle in his eye and he was a tease. Beth took his comments graciously with a knowing smile and together they made all feel included. I do not know if there is teasing in Heaven but I know he is flashing that smile at being with Jesus and his former earthly acquaintances. He is missed but he left you wonderful memories as evidenced in the video.*

“ Beth ... my prayers and love to you and your family. I remember so well Chuck and you at SJ First Ch of the Nazarene .... so many times that we shared in SS class or after worship service. The tribute to Chuck has been put together so beautifully and it brought so many great pictures of both of you from when we were at SJ First .... may God touch you in a special way and know that my prayers are with you during these days. All of our love .... Charles & Collette Brooks
