“ To Dr. Basil Moss's family:

*I just found out about this and am sad....wish you had e-mailed me. I'm Basil's first cousin and he and Polly have been to see us in OK several times. We loved them and always enjoyed being with them. He was an awesome man and had so many talents. I have two of his books and enjoyed them so much. He talked briefly about his Uncle Fred Moss, who was my dad, in one of the books. I know you girls miss him and your sweet Mom.*

“ *I'm extremely sorry for the loss of your loved one, Dr. Moss. I will always remember him as the most outstanding doctor in Lubbock. He was so dear to me when I was a young patient of his. He was not just an ordinary doctor, but he became a friend that I trusted and respected. I give him all the credit for saving my life not only through his medicine, but through his encouraging words I received from him at his office and calls to me at home. I will always have a special place in my heart for Dr. Basil Moss, and will always remember his kind and caring words that made me who I am today. He was absolutely the best doctor I have ever had. I know he will be missed by many. I will keep his loving family in my prayers, always.  
Sincerely, Patsy Hegdal*
