“ *We were greatly sadden to hear of Charle's passing. I knew Chip since he was an adorable and lively 3 year old with such captivating big brown eyes and happy smile. He brought such great joy and energy to all. Chip had some difficult challenges life threw at him and he faced them with courage, dignity, and acceptance. His great sprit conquered all. We will miss you, dear Charles. My love and condolence to Candia and her loving family.*

“ I have fond memories of Charles (aka "Chip") as a very young child while I was working for my aunt and uncle at Eva Lake in Ontario. He was a fun loving rambunctious blond headed second cousin whom I played with when he visited his Grandmother and Grandfather Thew.
Love being sent to Candia and family from your cousin/2nd cousin Terry.

“ Several years ago I had Thanksgiving dinner with "Chip", Candia, a poodle and several cats! I remember talking to Chip about astronomy. I brought the ever-present Thanksgiving dinner side dish "green bean casserole" that Chip loved - he took all that was left over home with him! I'm sure the apple tree in a certain Nova Scotia cemetery will welcome his presence. Hugs to all of his family and friends, Peggy Edwards
