Charles has always been a favorite of mine. He teased me the first 4-5 years I was a part of the family. He said "Every time I see you you're pregnant!!" I responded "well guess you just need to come more often to see what I really look like-Haha".

*You are already missed and we pray that you now know just how much you were loved. Until we meet again in Heaven. Love you!

“ Hi, my name is Lauri Wilks. Chuck Wilks is and was mine and my deceased brother Lou's father from his second marriage to my mother for 8 years in California. I just found out that he passed away. He hadn't been answering his phone and I happened to run across this obituary. I would have attended his funeral had I known. I will miss him truly. I am going to leave my phone number for Toni and Randy and hope to hear from them or anyone else. Thank you. Lauri Wilks 504-266-3661

“ I am the daughter-in-law of Charles, married to his son Randy. We will always love and miss him, cherishing the memories we and our 3 children have with him. And many with sweet Margarite. The times they came to Oklahoma will always be precious. He was so proud of his grandchildren and great-grandson.

Until He calls us home,

“ Chuck was a loving brother in law who dated my sister in high school. After going their separate ways, they re-connected and formed a solid marriage until her death. When she became ill, he spent his time reading poetry to her, singing , and just offering support through her journey. He could play “Under the Double Eagle” right along with the best of them. He composed a CD of my favorite songs that I will always treasure. Rest in peace, Chuck.

“ So sorry for your loss. Chuck was our neighbor in Commander's Palace. He always looked out for our place when we weren't there. Our front yard was always mowed and it was an honor for us when he took roses from our rose bush. His sweet cats will miss him as will the neighbors. Rest in peace Chuck.
