“ *My deepest sympathy are with Ms. Potts' family. I remember her so fondly as a new student to Lubbock-Cooper. She made me feel so welcome and she made our whole class feel so loved and cared for always. She was a blessing to our school and so many that was fortunate to know her and learn from her. May she Rest In Peace! God bless you Ms.Potts.*

My sympathy to the Potts' family. I taught at Cooper High school, and although we were in different buildings, cooper was so small back then that teachers knew each other. Charlotte was a great teacher and lady. She was such an asset to Cooper ISD. She cared about and loved her students. She provided them a great educational foundation. I know how important family was to her. May your memories comfort you all.

“ *Mrs. Potts was my kindergarten teacher as well. We had an invisible friend in my class named “Astro”. Astro would leave letters in a special mailbox for the class bragging on us when we had done good things and encouraging us when we faced challenges. His “letters” were invisible too, so Mrs. Potts would remove her glasses and put on her special “invisible” glasses so that she could read his messages. I was so captivated when I listened to her read. I’m a teacher now, and I often tell share my memories of Mrs. Potts’ class with my own students. She was a beautiful woman with a wonderful heart. Please know how cherished my memories of her are. My prayers and condolences are with her family and friends as they send her ahead of us. I know she will be awaiting our arrival to join her someday with a big, warm hug. Jackie D. Mason*

“ I absolutely LOVED this woman when I was in her kinder class. I remember nap time, listening to the record player tell us a story as we drifted off. I remember her asking me to assist the other kids with tying their shoes, or asking me help "grade" some papers. I remember her cute rhymes when we were learning to write our numbers (Fat ol' 5 goes down, and around, put a hat one top). So many memories! Rest in peace Mrs. Potts ❤️
