“ Love to Chris and all my family at the most difficult time! I'm so glad that I was able to see Christy when I was in Lubbock! I love her so much. We called her Cricket growing up. Big Daddy gave each of nick names. Mine was Tiny. She always made a point to see me no matter where I was when I visited! I so appreciate that!  
I love you Chris and know how challenging your future is going to be. When you guys visited here in Timber Cove and we got to take a walk on the beach, have a good visit for a couple of days during your travels; I was able to observe the deep love you two have for each other. You treated each other with so much love and respect!  
Rest In Peace my dear cousin, I love you!

“ So sad that a little five foot tall dynamo who took a ride in an F5 tornado with 290 mph winds and everything it could dish out and get up out of the mud and give us almost 50 more beautiful years could be taken from us this way. When will this ever get fixed? Please rest now, little Cricket ...

“ Chris we are so sorry for your loss. Christy was always such a pleasure to visit with...always sweet and smiling. She always seemed so genuinely happy to see us or anyone she encountered. Such a precious lady! We will be out of state and not able to attend her service but we will be lifting you up in prayer. Mechelle and Cody Bill
