“ So sorry for the loss of Clea I just now found out I was that they talked about maybe the kid with cancer and beat it my dad (James Summar--J.E) always took me up to Rip Griffin to eat but had to make sure Felix or Clea was the one cooking. I remember going over to the house when I was a teenage had fun over there. I just wanted to say she was a wonderful person and she will be missed,

“ *Where do you begin. You were the only one that I called "mom" other than my mom and she died when I was so young I don't remember calling her that. You taught me or tried to teach me how do make your wonderful pies but I could never do it as you did and they never tasted the same. I will miss you - we have no parents now....it breaks my heart that I am not there to say goodbye but you will always be remembered. Without you I would not have my children - Jessica and Jennifer or my loving husband, Dan or my wonderful grandchildren - Isaac, Sophie, Nina and Maya and the new little one we don't know yet. Thank you for sharing them with me.*
