

Connie Marie Bratcher

July 23, 1953 - March 8, 2026

With profound sadness, we announce the passing of Connie Marie Bratcher, a treasured wife, mother, grandmother, adventurer, lover of life, and devoted nurse, who left this world on March 8, 2026, at the age of 72. Born in London, Ontario, Canada, on July 23, 1953, Connie's journey led her to the United States in December of 1991, where she dedicated herself to both her family and her career in healthcare.

Connie graduated with an Associate's Degree in Nursing and made a significant impact as a Registered Nurse at Covenant Hospital, where she selflessly cared for countless patients until her retirement in March of 2001. Her compassion and commitment to her profession were evident in every interaction, and her nurturing spirit extended far beyond the walls of the hospital. She married David Bratcher on June 2, 2001.

A proud mother to her daughter, Nicole Baker-Thompson, and son, T. J. Baker, step-son, Casey Bratcher and step-daughter, Jamie Mendez and a loving sister to Carrie Bilyea, Connie cherished her family above all. She found immense joy in the laughter and love shared with her eleven grandchildren and two great-grandchildren. The holidays, especially Christmas, held a special place in her heart, and she delighted in creating cherished memories with those she loved.

A memorial service to celebrate Connie's life will be held on March 20, 2026, at 2:00 PM at Sanders Memorial Chapel. Family and friends are invited to gather in remembrance of a remarkable woman whose legacy of love and kindness will continue to inspire all who knew her.

Connie Marie Bratcher will be deeply missed, and her spirit will forever illuminate the hearts of her family and friends. May she rest in peace, knowing the love she shared continues to thrive in the lives she touched.

Connie was preceded in death by: Alvin Bilyea, Rose Bilyea

“ To Connie's family - we're so sorry to hear of her passing but know that she is rejoicing in the presence of her Lord. we first met Connie in London, On at Faith tabernacle and quickly became friends with her and first husband Tony. When we left London in 1980, we rarely saw them. Have good memories of the times we had.

“ Connie and I grew up in the same church, a loving and supportive place. We weren't the same age, but did spend some time together. Regardless of any circumstance, Connie was the happiest, kindest, gentlest and most pleasant person you could ever hope to meet. She always struck me as such a gentle and almost timid person that I was a bit surprised when I discovered that she was very adventurous, scuba diving Etc. She went camping with us once and anything that Connie added to fun or conversation was always so pleasant to the extreme. You just couldn't help but love her. She has certainly left a beautiful Legacy and I'm glad to know she's with the Lord she loves.
