“ What fun we had during those Fat Dogs and Oyster Bar days. So many memories come flooding back of all the good times and people. You could always count on Dale for a great laugh and good time. Even though we lost touch over the years, the memories will always be treasured. Dale touched so many and she will live on in our hearts. My deepest sympathies and prayers go out to the Robles family.

“ I remember Dale from my HECE class at Monterey High School. There was one time that she came to my house and got me out of bed (kidnapped) I had no idea where she was taking me as it was a surprise!! I was blind folded. It was for an early morning breakfast for the new students of my HECE class. She was in a little voltzwagon car I do remember that. She was so much fun! Tammy "Stallings" was my maiden name.

“ Dale, the thing I remember most of you are two things. The first one being your way of moving from point A to point B it always seemed like you were gliding and secondly, your beautiful laughter. It was contagious, just listening to you laugh would make everyone around you laugh with you! May God bless you with his presence and take you into his bosom and keep you warm and at peace!

“ I remember when I met Dale the first time at AT&T! She was competitive and wanted to be the best in the office! Our friendship continued to blossom and we started hanging out, our group was there together for sadness, loneliness and when she fell in love. She had a skip in her step! She always spoke of her family and how important they were to her. We shared happy hours, birthdays, holidays and long conversations! Her laugh was contagious and her heart was pure and caring! My heart hurts Dale Robles, and I will miss you my friend! We would sing so loud in my backyard and now I know you are singing with the angels! Love you and pray for the ones you have left behind! Forever friends!
