“ *Daniel had the biggest heart of anyone I have ever known. When we brought my Dad to an assisted living here, he and Daniel made fast friends .he took him food, we took him out to movies several times and always had a blast. I will forever be grateful to God for giving me this beautiful friendship. He would make me laugh until I cried, he comforted me when I lost my Dad, he would always make sure Katy, the dogs and I were ok. I will miss him every day.*

“ Daniel my neighbor, I'm going to miss you. For years we lived nextdoor to each other. I'm going to miss waving hello to you. My Alike (my German shepherd) is going to miss you too. Every morning you would give her treats. I'm going to miss seeing you drive by in your Camaro always coming or going. Oh I know how much you loved your Camero. Hopefully you can have one in heaven too. I'm going to miss not being able to sit with you in my front porch or just standing in the yatd. You always listened to me and always made me laugh and cry. Thank you for being such a good neighbor and friend. I'm going to miss you. But for now I'm always going to remember you in your Camaro waving and passing in front of my house. I'll never forget you.  
If there are Camaro's in heaven save me one.  
Love always your neighbor Molly Ramos.  
My heart goes out to Tim and Daniel's family. I pray that God gives you all the strength to get through this most difficult time.
