“ I was saddened to hear of Dannie's passing. I realize that he had been battling health problems for quite awhile but he appeared to be at peace with that and there was a calm about him. I trust that his dearest friends were able to communicate with him in the last days. My memories of Dannie will forever be in music. We sang together one full year at LHS and the Westernaire Choir. I admired him and a few of his close friends. They were trailblazers in the Lubbock music scene. I hope that if the Lord sees fit, we will sing again someday with the Angels. God bless. He will be missed.
