*We met David when he came to our business in Hobbs, New Mexico to sell us WD-40. We were instant friends. Over the last ten years, we have laughed together and cried together. We always looked forward to David's visits. We feel so blessed to have known him. He will surely be missed. Rest in peace, dear friend.*

*To all the family: I will miss my cousin's great smile, sense or humor, and caring and compassionate spirit, and knowing how many lives he touched in such a special way during his short life here. I didn't get to see him much, except maybe in Abilene at my stepmother's if I was there when he stopped thru on a quick visit, but I will always cherish the great memories of all the visits I had with him. May God give you peace and comfort during this difficult time. You're all in my thoughts and prayers. Free and whole in Christ David is now. Still we meet again!*

*I want to offer my deepest sympathy for the loss of such a fine person. I had the wonderful experience of working with David at WD-40 both as his Regional Director and National Sales Manager. I am honored to say I hired David at WD-40. I have never been associated with anyone in the work environment with a more dedicated work ethic. It is through his work ethic that he experienced so much success. Even though I have lost contact with David recently he still remains in my heart and thoughts.*
