“ *Dear Emily,
I want you to know how so very very sorry I feel about the loss of
David for you, your two boys and rest of family. You were and still
are such a fun and positive person that I got to know and love at
school in Abernathy and any words I can think of fall short of how
much sympathy I feel for you. I pray you, boys and family cope as
well as possible after such a loss.
Take care, sincerely,

“ Mrs. Sharp, Jonathan, and Michael,

Let me say what a privilege it has been to know you guys over the years. Mrs. Sharp you are the strongest most sincere person I have ever meet. From the day you walked into our Senior English class we all knew that we had not only a teacher but a great friend. You have always displayed nothing but class and respect to everyone you have ever come into contact with. When I graduated I took the lessons I learned from you and applied them to the real world. Then I got the chance to meet your family. Those two summers that David and I coached Jonathan in Little League where awesome. I knew as soon as I meet David that this man was truly your perfect match. Kayla and I have talked many times the last few days and we both keep saying that when we think of David all we can think is what a classy and Christian man. I learned a lot from David in those two summers being around him, but the thing I think I will take with me forever is how sincere he was towards others. It didn't matter who you were or where you came from he treated you like he had known you forever. I know that the kids we coached as well as myself learned more than baseball from David. You guys are in a state of confusion and questioning. Just know that the Lord has a plan and will bless all of you in the coming days. We don't always understand why, but please take comfort in knowing that you are loved and will continue to be loved in the coming days. The show of support and those whose lives you have touched will return the favor. Great people always have greatness returned to them and you guys are all great people. You learned it from the best and will continue to be the best. May the Lord bless you in the coming days, and thank you for allowing me to be around such a wonderful Christian man.
