“ *Such a beautiful person. I met you when your Grandma Mary brought you to our home when she came up North. You hold a special place in my heart. Family is God's gift to us to love and cherish always. Your dad (we called him Buddy) also holds a special place in my heart. When I was younger I thought Tab Hunter came to visit us. My deepest condolences to the family and friends of Dawn. A beautiful human left us to early. Anita*
