*I have held on to this card for right at 29 years....
I don't think there was ever a time that I didn't see a smile on Debbie's face...nor do I remember a time that she ever had a negative thing to say about anybody. She was truly an angel....she would have done anything for anybody! There was never a single time that I doubted her love for me....regardless of my mistakes..my flaws...and my choices. I love you Debbie...save a dance for me ❤️*
