“ *Denece always had the sweetest stories of her boys as little ones. Having 5 of my own she always loved to hear about mine. She had so much love for her boys and was extremely proud of everything they had accomplished throughout their life. God be with her boys and give them comfort and peace during this time of loss. Much love Denece! My husband and I both thank you so much for the kind words, sweet stories and love you shared in the years we knew you!* ❤️🤔😔

Ethan and Jacoby (and Family) I am so sorry for loss! Despite all the things Denece went through in her life she never let any of it defeat her. Her blue shone and her smile was always filled with love and pride for you two and Camille. Her laugh was infectious and we laughed alot during our years of working together. She loved working with children! But you two were always on her mind. She was a good friend and a hard worker. My prayers and thoughts will be with you in the coming days as you mourn, grieve, celebrate her beauty and life and adjust to a new life with her waiting for you on the other side. (((BIG long HUGS)))
