“ *I am heartbroken that he is gone. He was like a second father to me, and I kept saying I was going to call and never did. He was my boss and friend. He always had faith in my abilities, even when I didn't. The years I worked for him were some of the best years in my life. He was always so kind and understanding. I have missed him so much. He was a great man. He was a hardworker and a smart businessman who went out on his own and succeeded when everyone thought he would fail.*

Thank you Don for everything you did for me. Your friendship, encouragement, and a shining example I will always hold in my heart. Rest in peace and know you were loved by many of us.

Mark, Steve, and Kathy, I am sorry for your loss. I know he loved each of you and valued his relationships with all of his family. My thoughts and prayers are with each of you.
